

# TRUST FUND BABY?

UNLESS YOU WERE BORN WITH A **SILVER SPOON**  
OR HAVE A TRUST FUND WAITING FOR YOU,  
YOU'LL HAVE TO GET RICH ON YOUR OWN.

## START WITH YOUR 401(K) SAVINGS PLAN AND RECEIVE FREE MONEY.

When you contribute money to your 401(k) Savings Plan, the Company adds a 50% match up to the first 6% of your savings. If you save 6%, this can be compared to giving yourself a 3% raise. Contributing is easy because it's taken directly from your pay before you can spend it. Additionally, the tax advantages can boost your savings in several ways.

- > You pay less in income taxes today.
- > Your contributions, company match, and investment earnings accumulate tax deferred.
- > You are investing money that would otherwise be paid to Uncle Sam.

**Simply put, the sooner you start saving, the more money you could end up with. Call today to enroll. Your plan's toll free number is 800-547-7754.**

## START NOW.

Please read carefully each fund's prospectus or offering statement, before making any investment decisions. Withdrawals will be subject to income tax, and those made before age 59½ may also be subject to a 10% IRS penalty.

## NOT BORN RICH?

UNLESS YOU WERE BORN WITH A SILVER SPOON, OR INTEND TO MARRY A PRINCE, YOU'LL HAVE TO GET RICH ON YOUR OWN.
